

## Clinical Facilities and Mileage

Students enrolled in the Wiregrass Georgia Technical College Radiologic Technology program will be scheduled to rotate through the various rooms and/or departments within the clinical affiliates of the program. Clinical sites may change at any point in the program. Transportation to and from clinical experiences is the responsibility of the student.

| Clinical Site                              | City, State    | Approximate mileage from Valdosta Campus |
|--|----------------|--|
