

GENERAL INFORMATION

MISSION

The mission of Wiregrass Georgia Technical College, a public two-year technical college and a unit of the Technical College System of Georgia, is to promote community, educational and economic development by providing a highly trained workforce for an 11 county service area in South Central Georgia. The college fulfills the mission by providing quality technical and academic instruction, through campus-based and distance education delivery methods leading to associate degrees, diplomas, and technical certificates of credit; customized training for new and existing industries; professional and personal development through continuing education programs; and adult education services to meet the needs of citizens, businesses, and industries in the service area.

HISTORY OF THE COLLEGE

On September 4, 2008, the State Board of the Technical College System of Georgia (SBTCSG) approved the merger of East Central Technical College and Valdosta Technical College to be effective July 1, 2010. Almost a year to the day the merger was announced, the local board, with input from stakeholders, decided on a new name for the combined college – Wiregrass Georgia Technical College.

Wiregrass Georgia Technical College has four primary campuses – Ben Hill-Irwin campus, Coffee campus, Cook County Workforce Development Center, and the Valdosta campus - as well as one extended campus, the Moody Air Force Base location in Valdosta. The college provides Adult Education services in each of the 11 counties served by the college, including Atkinson, Ben Hill, Berrien, Brooks, Coffee, Cook, Echols, Irwin, Lanier, Lowndes, and Wilcox counties.

Individually, both East Central Technical College (ECTC) and Valdosta Technical College (VTC) have long, meaningful histories within the communities they have served. The rich history between these colleges and the local communities demonstrate how important training, and educational opportunities, have been, and will continue to be, for the citizens of the Wiregrass Georgia Technical College region.

East Central Technical College

East Central Technical College (formerly Ben Hill-Irwin Technical Institute and East Central Technical Institute) was established in 1966. Ben Hill-Irwin Tech officially opened its doors to its first full-time student body of approximately 200 on September 21, 1970, occupying three buildings with large vocational-technical labs and a small administration area. The first full-time graduates received their diplomas on September 15, 1971.

During the next 30 years, East Central Technical College underwent enormous transformation and growth. On June 10, 1977, Ben Hill-Irwin Tech held groundbreaking ceremonies for a new \$600,000 expansion to house new programs. The Charles Harris Learning Center opened in 1994 housing an auditorium, classrooms, and office space. In 1995, the Board of Regents deeded land, originally part of South Georgia College, to DTAE for the Coffee Campus. On November 7, 1996, the name officially changed to East Central Technical Institute. Further county expansions occurred including the addition of the Wilcox Lifelong Learning Center in Rochelle. On April 10, 2002, the state allocated \$10,000,000 for a new technology building on the Ben Hill-Irwin campus, which was completed in 2006.

On February 1, 2006, Dr. Ray Perren became the fourth president of East Central Technical College. He remained in this position until June 2008, when he left to serve at the Technical College System of Georgia as Assistant Commissioner of Technical Education. Interim Presidents were employed by ECTC until the merger of East Central Technical College and Valdosta Technical College, when Dr. Perren once again took over the presidency.

Valdosta Technical College

Valdosta Technical Institute was founded as a cooperative agreement by the state legislature, the Valdosta Board of Education, and the Lowndes County Board of Education in 1963 to serve the citizens of Berrien, Brooks, Cook, Echols, Lanier, and Lowndes counties. From 37 students utilizing one building on 10.5 acres of land to over 2,600 students per

quarter occupying eight buildings on 135 acres, Valdosta Tech's original 40,300 square foot building, Berrien Hall, opened for classes in September of 1963.

The first addition to the campus was a 7,200 square foot building to house the Heating Ventilating and Air Conditioning (HVAC) and Welding programs and is now known as Berrien Hall. The vigorous economic growth of the area, sustained by a workforce that included an increasing number of technically trained Valdosta Tech graduates, initiated a need for an additional expansion that almost doubled the size of the facility. In 1984, the college completed its second addition to house the horticulture, electronics, and health programs.

A few short years later in 1989, a 7,800 square foot addition for the Auto Collision program completed the U-shape of Berrien Hall. In 1989 the Georgia Legislature provided \$175,000 for the purchase of 80.2 acres of land to continue the growth of the campus. Governor Zell Miller then approved a \$7.64 million dollar, 83,770 square foot expansion which would be the second largest technical school expansion at that time. From this expansion, Valdosta Tech Buildings 300, 400, and 500 were opened in 1997.

The Cook County Workforce Development Center in Sparks opened its doors as a branch campus of Valdosta Tech in June 2002. Valdosta Tech opened an office at Moody Air Force Base in February 2004. The Adult Education program eventually relocated to its current location on East Park Avenue. In December 2007, Valdosta Technical College was accredited and approved for unconditional membership with the Commission on Colleges of the Southern Association of Colleges and Schools (SACS).

In February 2009, Lowndes Hall officially opened housing the administrative offices of the President, business programs, a new 7,000 square foot library, an auditorium, early childhood education, drafting technology, and printing and graphics programs. A new student center was also constructed and includes 6,625 square feet of space for the Upper Crust, security offices, and offices for student activities.

Dr. Ray Perren became President of Valdosta Technical College on July 1, 2009 and served as President of Wiregrass Georgia Technical College until May 2013. Dr. Tina K. Anderson became President of WGTC on July 1, 2013 and continues to serve as the President of Wiregrass Georgia Technical College.

STATE BOARD OF THE TECHNICAL COLLEGE SYSTEM OF GEORGIA (SBTCSG)

Wiregrass Georgia Technical College is a unit within the Technical College System of Georgia (TCSG). The governing board for the college is the State Board of the Technical College System of Georgia.

The State Board of the Technical College System of Georgia became a statutory body on July 1, 1986, and has subsequently assumed direct governance of the majority of Georgia technical colleges and associated university technical divisions. The SBTCSG was established with the responsibility for the governance and management of all state supported technical and adult colleges. The Board executes its responsibilities in two primary ways:

- By adopting policies to provide general guidelines for governing the system;
- By appointing a Commissioner, who is given the responsibility and authority for the administration of the system in accordance with the adopted policies, and who is the Chief Executive Officer of the Technical College System of Georgia.

Wiregrass Georgia Technical College is authorized by the State Board of the Technical College System of Georgia to award associate degrees, diplomas, and technical certificates of credit.

SBTCSG Board of Directors

First Congressional District
Mary Flanders, Savannah

Second Congressional District
Richard Porter, Cairo

Third Congressional District
Frank S. "Chunk" Newman, West Point

Fourth Congressional District
Baoky N. Vu, Decatur

Fifth Congressional District
James F. Gingrey, Atlanta

Sixth Congressional District
Carl E. Swearingen, Atlanta

Seventh Congressional District
Michael L. "Sully" Sullivan, Atlanta

Eighth Congressional District
Ben I. Copeland, Sr., Lakeland

Ninth Congressional District
Dinah C. Wayne, Flowery Branch

Tenth Congressional District

Eleventh Congressional District
Jay Cunningham, Kennesaw

Twelfth Congressional District
Tommy David, Statesboro

Thirteenth Congressional District
Tim Williams, Douglasville

Fourteenth Congressional District
Joe W. Yarbrough (Chair), Dalton

Members at Large
Dr. Lynn Cornett, Sandy Springs
Shaw Blackmon, (Vice Chair) Warner Robins
Doug Carter, Gainesville
J.C. "Chris" Clark, Jr., Atlanta
Sylvia E. Russell, Atlanta
Ben Bryant, Atlanta
Robert "Buzz" Law, Atlanta
Shirley Smith, Ringgold
W. Jackson Winter, Jr., Atlanta

WIREGRASS GEORGIA TECHNICAL COLLEGE BOARD OF DIRECTORS

While the State Board of the Technical College System of Georgia (SBTCSG) is the governing Board of Wiregrass Georgia Technical College, a local board of directors operates in conjunction with the State Board to accomplish the mission of the college. Local boards were established for each college based on the philosophy that decisions regarding individual schools should be made at the local level, and a portion of the authority and responsibility of governance should be delegated to the local boards. The State Board delegates to the Local Board of Directors the authority to develop local policies and procedures to meet the needs of the college's service area.

Wiregrass Georgia Technical College

Local Board of Directors

Sam Allen	Lowndes County
Barry Bloom, Chair	Coffee County
Guy Daughtrey	Cook County
Patricia Frazier	Wilcox County
Terrell Jacobs	Coffee County
Terri Lupo	Lowndes County

Andi McWhorter	Irwin County
Ronald Mitchell	Cook County
Jennifer Powell	Lowndes County
Sandy Sanders, Vice Chair	Lanier County
Steve Sirmans	Atkinson County
Florence Staten	Echols County
Stephen Sumner	Berrien County
Hal Wiley	Ben Hill County

WIREGRASS GEORGIA TECHNICAL COLLEGE FOUNDATION NORTH, INC.

Wiregrass Georgia Technical College Foundation North, Inc. is a non-profit foundation established in April 1985 and operates in conformity with Section 501 (c) (3) of the Internal Revenue Code. The Foundation is organized under Georgia law and is fiscally and organizationally separate from the school. The Foundation is governed by a Local Board of Directors responsible for promoting education at Wiregrass Georgia Technical College by providing scholarships, endowments, research grants, and acquiring and administering cash, grants, and other funds and properties from industry, business, foundations, and friends of Wiregrass.

WIREGRASS GEORGIA TECHNICAL COLLEGE FOUNDATION SOUTH, INC.

Wiregrass Georgia Technical College Foundation South, Inc. was established in 1988 as a non-profit organization whereby funds, property, and other types of financial assistance could be channeled to the college for support and development of educational, cultural, social, civic, and professional endeavors. The Foundation provides academic and institutional support, scholarships, endowments, and in various ways, promotes the mission of the college.

The members of the Board of Trustees, who are empowered to administer donations to the Foundation, are distinguished business and civic leaders from the counties within the college’s service area.

ACCREDITATIONS, APPROVALS, AND CERTIFICATIONS

Program Name	Accrediting Agency	Last Review Date
Cosmetology	Approved by the Georgia State Board of Cosmetology	No Periodic Review. Graduates sit for licensure from the Secretary of State of Georgia upon completion of program requirements
Dental Assisting	American Dental Association, Commission on Dental Accreditation	October 2013
Dental Hygiene	American Dental Association, Commission on Dental Accreditation, Valdosta State University, Wiregrass Georgia Technical College and faculty and staff are not responsible in the event a student successfully completes program requirements and boards but is unable to obtain licensure due to misdemeanors and/or felonies. It is the sole responsibility of the student to determine if a previous felony or misdemeanor conviction might preclude licensure to practice Dental Hygiene.	October 2013
Advanced Emergency Medical Technician	Georgia Department of Community Health-Division of Emergency Preparedness & Response - Office of EMS and Trauma. Graduates are eligible to sit for the National Registry of EMTs Advanced Emergency Medical Technician examinations and become certified as AEMTs. The license to practice as an AEMT in Georgia is granted by DHR-OEMST	October 2009
Health Information Technology	The program, established in 2009, is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM) 233 N. Michigan Avenue, 21st Floor, Chicago, IL 60601-5800, (312) 233-1100. The program adheres to the Standards established by the CAHIIM, available in the Accreditation Handbook on the CAHIIM website at http://www.cahiim.org/index.html ; candidate for AAMA accreditation.	September 2012
Medical Assisting	National Center for Competency Testing. Graduates are eligible to sit for NCCT certification in Medical Assisting, ECG Technician, Phlebotomy Technician, Medical Office Assistant, and Insurance and Coding Specialist	September 2003
Paramedic Technology	The Paramedicine program has been issued a Letter of Review by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). This letter is NOT a CAAHEP accreditation status; it is a status signifying that a program seeking initial accreditation has demonstrated sufficient compliance with the accreditation Standards through the Letter of Review Self Study Report (LSSR) and other documentation. Letter of Review is recognized by the National Registry of Emergency Medical Technicians (NREMT) for eligibility to take the NREMT's Paramedic credentialing examination(s). However, it is NOT a guarantee of eventual accreditation. To Contact CoAEMSP: 8301 Lakeview Parkway Suite 111-312 Rowlett, TX 75088 TELEPHONE (214) 703-8445 / FAX (214) 703-8992 / www.coaemsp.org	October 2009
Patient Care Assisting	The Certified Nurse Aid course is approved by the Georgia Medical Care Foundation. Students passing the Georgia State Exam (NACES) will be placed on the Georgia Nurse Aide Registry.	April, 2013
Pharmacy Technology	American Society of Health-System Pharmacists (ASHP)/ACPE	July 2015
Practical Nursing	Georgia Board of Nursing. Upon completion of program requirements, graduates are eligible to apply to sit for the National Council Licensure Examination for Practical/Vocational Nurses (NCLEX-PN), created by the National Council of State Boards of Nursing (NCSBN)	July 2009
Radiologic Technology	The American Registry of Radiologic Technologist (ARRT) recognizes the Radiologic Technology Program. Graduates are eligible to apply to sit for the Radiography examination of ARRT.	No periodic review The program is presently in candidacy with JRCERT
Surgical Technology	The Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Accreditation Review Council on Education in Surgical Technology and Surgical Assisting.	January 16, 2014
Registered Nursing	The Georgia Board of Nursing granted the ASN program initial approval. This is a candidate program with the Accreditation Commission for Education in Nursing.	July 2015

No accrediting agency has applied sanctions or taken negative actions in regard to Wiregrass Georgia Technical College or any of its programs.

PROGRAM ADVISORY COMMITTEES

Wiregrass Georgia Technical College utilizes program advisory committees, consisting of at least three representatives of local industry, to ensure that the college maintains programs that are meeting the current training needs in each field of specialization. This enables programs to adapt to changes that occur in the field. These advisory committees, composed of members of business, industry, and education from the 11-county service area, meet twice each year.

CAMPUS INFORMATION

The instructional activities of Wiregrass Georgia Technical College are operated at four primary locations with extension sites located in almost every county served by the college. Adult Education programs are conducted at locations in each of the 11 counties served by the college. Economic Development and Continuing Education classes are also regularly conducted at various locations throughout the service area, as well as the main campus locations.

POLICY ON CATALOG AND REQUIREMENTS

Each student at Wiregrass Georgia Technical College is responsible for learning and observing all current published regulations and procedures required by the institution and by the program in which he or she is enrolled. A current published regulation will not be waived, nor will an exception be granted, because a student pleads ignorance of the regulation or asserts that he or she was not informed of specific requirements by a faculty member or by an institution staff member.

Each student must become familiar with the offerings and requirements of his or her program of study and the contents of the schedule of classes, which may contain notices of changes in academic regulations or procedures.

While the provision of the appropriate catalog will normally be applied as stated, Wiregrass Georgia Technical College reserves the right to change any provision listed in a catalog, including but not limited to academic requirements for graduation, without actual notice to individual students. WGTC will make reasonable efforts to keep students advised of any such changes, and information on changes made by WGTC will be available in the Office of Academic Affairs. Each student must be aware that it is his or her own responsibility to remain informed about current graduation requirements for his or her particular program.

A candidate for graduation is normally subject to the catalog requirements that are in effect at the time of initial enrollment. However, in consultation with his or her advisor, a student may elect to satisfy the graduation requirements specified in any of the catalogs in effect subsequent to the time of the initial enrollment, with the following exception: a student who has a break in enrollment is subject to the requirements in effect at the time of readmission.

CAMPUS TOURS AND VISITS

Wiregrass Georgia Technical College encourages visitations from individuals and groups at any time during normal operating hours. Prospective students, groups, clubs, and organizations wishing to visit any one of the campus locations may contact the Director of Recruiting to schedule a tour.

For the safety of all individuals, the following information on children and pets should also be adhered to while on campus:

- Children are not allowed on campus unless accompanied by an adult and may not be left unattended at any time.
- Children should not be taken into classrooms, working lab areas, computer labs, or testing areas. In addition, at no time should a student who is attending classes have children on campus for any reason, attended or unattended, including common areas such as the Student Center or waiting areas.
- Pets are allowed on campus only if required for assistance to persons with disabilities.

Campus security may be asked to provide assistance if an individual or individuals cause, or contribute to, a disturbance to the normal operating activities of the college.

WARRANTY OF GRADUATES

The Technical College System of Georgia (TCSG) guarantees the skills of its students for up to two years after graduation from a degree, diploma, or technical certificate program of study. Graduates who are found to be deficient in one or more competencies (as defined in the curriculum standards) can retake the related course work at no instructional cost to the graduate or employer, at any TCSG institution within the state. This warranty applies only to graduates who are employed in their fields of training. Contact the Office of Academic Affairs for more information.

CAMPUS AMENITIES

The four main instructional campuses for Wiregrass Georgia Technical College offer amenities to students, faculty, and staff while creating an opportunity for on campus social interaction.

Each campus location offers student lounge areas for studying, gathering, and holding meetings. Additionally, there are food and snack areas located on each campus, with vending machines placed in public gathering areas. Some locations offer wireless connectivity.

Campus Student Centers

Valdosta Campus Student Center and “Upper Crust” Student Lounge

The student center on the Valdosta campus is located between Berrien Hall and Lowndes Hall. The lounge provides a comfortable place for students to eat, meet, and mingle, or to just relax between classes. The lounge offers seating inside or outside under the covered patio. The *Upper Crust* offers a full kitchen providing breakfast, lunch, and dinner options. In addition, the student center houses the office of the Campus Life Assistant and the Student Government Association. Periodically, the Culinary Arts program will host luncheons/dinners. Tickets can be purchased in the bookstore.

Ben Hill-Irwin Campus

The Ben Hill-Irwin campus, Irwin Hall, has an ultra-modern high-tech student lounge with televisions, a cyber-café, vending machines, and microwave. In addition, there are study areas in the student lounge and on the patio adjacent to the student center. Charles Harris Learning Center has a television, vending machines, microwaves, and areas for food service use. Additionally, outside the Charles Harris Learning Center is a covered gazebo where students enjoy meeting, studying, relaxing, and eating.

Coffee Campus

The Coffee campus has an open area for studying, eating, and computer usage. Adjacent to this area is a covered patio with picnic tables and benches for relaxing and use during class breaks. Vending machines, televisions, and microwaves are located in this area as well.

Cook Campus

A snack area and student lounge area is located in the middle of the main building and provides vending options as well as a microwave for student use. In addition, there is outside seating available when weather permits.

Bulletin Boards and Posters

The Student Affairs Department maintains financial aid information, job opportunities, registration information, club information, and other current items of interest on several bulletin boards located around all campus locations. Career Services also maintains listings of jobs on the college website. Posters announcing special events and services are placed strategically throughout the college in an effort to keep the student body informed. All postings must be approved through the Marketing and Public Relations Director.

Telephones

Office phones are not for student use. A phone is located on the Valdosta campus in the student center adjacent to Lowndes Hall and is available to students for local calls only. Telephones are located on the Ben Hill-Irwin campus at the Welcome Center and on the Coffee campus in the Student Center. Otherwise, students needing assistance requiring use of a telephone should ask any department secretary to assist them with making the emergency phone call.

Lost and Found

Each campus provides a point person for lost and found items. The Valdosta campus location is the library in Lowndes Hall. The Cook, Coffee, and Ben-Hill-Irwin campus locations for lost and found are the main Welcome Center desks. Articles not claimed within 30 days are given to an appropriate charity.

Designated Smoking Areas

There are designated smoking areas on each campus of WGTC. Maps highlighting the smoking areas, including gazebos and other assigned areas, can be found at the receptionist desk on each campus. Smoking is prohibited in buildings and non-designated areas.

Bookstore

The bookstores are owned and operated by WGTC and are located on the Valdosta, Cook, Ben Hill-Irwin, and Coffee campuses. The stores provide required texts, supplies, and a variety of logo and gift items. Normal operating hours are posted at each location and are subject to change during holidays, semester breaks, and at the beginning of the semester.

Current booklists are available online prior to the beginning of each semester. Information regarding title, author, ISBN, and pricing (when available) is listed alphabetically by course number.

Library

The mission of the Library/Media Services Center at Wiregrass Georgia Technical College is to stimulate a desire for life-long learning in users by ensuring the diverse academic and individual needs of students as well as the instructional, professional, and individual interests of faculty/staff are met by providing a current and relevant collection, state-of-the-art technology, and services that support the mission of the college to all campuses. The library maintains a variety of learning resources readily accessible to faculty, staff, students, business and industry, and the general public. Students, faculty, and staff have access to any WGTC library with a current WGTC ID card. In addition, current students, faculty, and staff have full privileges to Valdosta State University (Odum) Library and South Georgia College (Smith) Library.

The Valdosta Campus Library is located in Lowndes Hall, Room 7147A. The Cook County Library Resource Center is located at the Cook County Workforce Development Center (CCWDC) in Room 112. The Lewis I. Brinson, Sr. Library is located in Room 101 of the Ben Hill-Irwin campus. The Coffee Campus Library is located in Room 180.

Hours of operation vary per library. Scheduled library hours are posted at each library and online at www.wiregrass.edu/library.

Voter Registration

Students may register to vote in the state of Georgia through the Student Affairs Department. The student must complete, sign, and mail (postage free) a simple form to register to vote. The student will be notified concerning his/her district and place to vote in special and general elections. Persons who wish to register to vote must be Georgia residents and at least 18 years of age. There is no fee for registration to vote.
