REGISTERED NURSING
SURGICAL TECHNOLOGY
DENTAL ASSISTING
DENTAL HYGIENE
(IN COOPERATION WITH VSU)**

Admission to the college does not guarantee admission to the programs listed above. The application materials are collected by the Admissions Office and are submitted to the appropriate Admissions Specialist for consideration. Any application received after the deadline will be accepted and considered only on a space-available basis. All applicants are notified by letter and email concerning their admission status to the program. Selection criteria are program-specific and should be discussed with the Allied Health Advisor prior to submission of application. Only students who have met all the criteria should apply.

- Students must be in "good academic standing" on the first day of the term they are admitted for the program.
- Priority competitive admissions application deadlines are May 15th for the Fall Semester, August 15th for the Spring Semester, and March 15th for the Summer Semester.
- The HESI A2 Exam or HOAE must be completed prior to the application deadline.
- Students do not have to complete all of the courses evaluated for competitive admissions to make application, however students will only receive points based on grades received for courses they have completed by the deadline.
- Courses evaluated for competitive admissions must be completed before the start of the occupational phase of the program.
- All of the competitive admissions criteria are current at date of publication but are subject to change with curriculum revisions. Please see your advisor for the most current criteria.

For more information or to apply, please contact Admissions at:

Dental Assisting

DENTAL ASSISTING - DA12

DIPLOMA

Minimum Length of Program (based on full-time enrollment)	4 Term(s)
Minimum Credit Hours for Graduation.	59
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Dental Assisting accredited program prepares students for employment in a variety of positions in today's dental offices. The Dental Assisting program provides learning opportunities which introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to upgrade present knowledge and skills or to retrain in the area of dental assisting. Graduates of the program receive a Dental Assisting diploma and are certified in expanded functions and Dental Radiology for Georgia Graduates are eligible to sit for the Dental Assisting National Board (DANB).

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 17 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.
- Students must be unconditionally accepted to WGTC and in good academic standing. Students on academic probation or dismissal cannot qualify for acceptance into an Allied Health program.

ADDITIONAL PROGRAM REQUIREMENTS:

- American Heart Association Healthcare Provider CPR certification, physical examination or proof of ability to perform required duties, up-to-date immunizations, criminal background check prior to performing the clinical rotation.
- **Please see the Competitive Admissions Requirements on pages 104-105 for program-specific requirements.**

Dental Hygiene

DENTAL HYGIENE - DH13

ASSOCIATE OF APPLIED SCIENCE COOPERATIVE DEGREE

Minimum Length of Program (based on full-time enrollment) 5 Term(s)
Minimum Credit Hours for Graduation. 92
High School Diploma or GED® Required: Yes

PROGRAM DESCRIPTION:

The Dental Hygiene program is a cooperative degree program offered by Valdosta State University. Students earn an Associate of Applied Science Degree from Valdosta State. The program consists of a combination of academic core courses at VSU and clinical training provided at WGTC. Clinical Training begins annually fall semester. Because of the depth and scope of training, the program utilizes a competitive admission process for selection of students. The top 14 candidates are admitted to the program.

The Dental Hygiene program is a sequence of courses that prepares students for positions in the dental profession. Learning opportunities develop academic, technical, and professional knowledge and skills required for job acquisition, retention, and advancement. Registered dental hygienists work in a variety of professional settings. The public is most familiar with dental hygienists in the private dental office, where they perform numerous critical services designed to detect and prevent diseases of the mouth. These include oral prophylaxis; examining the head, neck, and oral areas for signs of disease; educating patients about oral hygiene; taking or developing radiographs; and applying fluoride or sealants. In this setting, registered dental hygienists play a vital role in protecting the oral health of the American public.

Upon graduation from the program, graduates must pass the Dental Hygiene National Board and the Central Regional Dental Testing Service clinical exam in order to obtain a license to practice dental hygiene. A criminal background check is required for licensure in Georgia.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 18 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores;
- Students should apply to Valdosta State University for acceptance into the Dental Hygiene Program and declare dental hygiene as their major. Each student will be assigned a dental hygiene advisor at VSU. Transfer students are accepted to the university, but are required to complete a minimum of 21 credit hours at VSU to satisfy the residency requirement.
- Students should apply to Wiregrass Georgia Technical College for admission to the clinical portion of the program when core courses are complete. The application deadline for application is immediately following the end of spring semester each year. The students selected at the end of spring semester will begin the program fall semester. The dental hygiene clinical program is 5 semesters in length. A detailed explanation of the program and admission procedures can be found in the Dental Hygiene Informational Packet.
- Students must be unconditionally accepted to WGTC and in good academic standing. Students on academic probation or dismissal cannot qualify for acceptance into an Allied Health program.
- Dental Hygiene is a Cooperative Program offered by Valdosta State University.

Neuromuscular Massage Therapist

NEUROMUSCULAR MASSAGE THERAPIST - NT12

DIPLOMA

Minimum Length of Program (based on full-time enrollment)	4 Term(s)
Minimum Credit Hours for Graduation.	56
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Neuromuscular Therapist program consists of a sequence of courses that prepares students for careers in the field of Neuromuscular Therapy. Learning opportunities develop academic and professional knowledge and skills required for job acquisition, retention, and advancement. Curriculum fundamentals, Swedish massage, musculoskeletal anatomy, identification of diseases and conditions, medical documentation, and client care prepare the graduate for an entry level position. Specialized training in nervous system pathology, postural analysis, neuromuscular therapy, muscle energy techniques, myofascial release and clinical reasoning establish this program and its graduates as specialists in their field. Program graduates receive a Neuromuscular Therapy diploma, which qualifies them to take the Massage and Bodywork Licensing Examination (MBLEx) offered by the Federation of State Massage Therapy Board and apply for Georgia Licensure through The Georgia Board of Massage Therapy.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 18 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.

ESTHETICIAN - CE11

TECHNICAL CERTIFICATE OF CREDIT

Minimum Length of Program (based on full-time enrollment)	3 Term(s)
Minimum Credit Hours for Graduation.....	33
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Cosmetic Esthetician program is designed to offer esthetics training for entry-level students. Completion of the program prepares students to sit for the Esthetics licensure examination given by the Georgia State Board of Cosmetology and to work in a variety of professions that employ estheticians in beauty salons, spas, health clubs, cosmetics stores as well as plastic surgeons' and dermatologist's offices.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 17 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.

Ophthalmic Dispensing

OPTICIANRY - OP13

DEGREE

Minimum Length of Program (based on full-time enrollment)	5 Term(s)
Minimum Credit Hours for Graduation.	71
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Opticianry program prepares students for employment in a variety of positions in today's Opticianry field. A licensed dispensing optician (LDO) can be described as a visual pharmacist who fills the written prescription orders of Ophthalmologists and Optometrists. The opticianry program teaches students how to fabricate prescription lenses, from semi finished lens blanks, to be inserted into fashionable eyewear worn by the patient. Adjusting and fitting eyewear as well as frame selection and dispensing are also part of the curriculum. The Opticianry program provides learning opportunities which introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to upgrade present knowledge and skills or to retrain in the area of Opticianry management. Graduates of the program receive an Opticianry degree.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.

Paramedic Technology

PARAMEDICINE - PT13

ASSOCIATE DEGREE

Minimum Length of Program (based on full-time enrollment)	5 Term(s)
Minimum Credit Hours for Graduation.	67
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Paramedicine applied associate in science degree program prepares students to provide advanced emergency medical care for critical and emergent patients who access the emergency medical system. This individual possesses the complex knowledge and skills necessary to provide patient care and transportation. Paramedics function as part of a comprehensive EMS response, under medical oversight. Paramedics perform interventions with the basic and advanced equipment typically found on an ambulance. The Paramedic is a link from the scene into the health care system. The Paramedicine degree program prepares students for employment in paramedic positions in today's health services field. The Paramedic degree program provides learning opportunities that introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. The program provides opportunities to upgrade present knowledge and skills from the EMT/EMT-I 1985/AEMT levels to a paramedic level. Successful completion of the program allows the graduate to take the National Registry of Emergency Medical Technicians (NREMT) Paramedic certification examination and apply for Georgia licensure with the State Office of Emergency Medical Service and Trauma (SOEMST) as a paramedic.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 18 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores;
- Students must be unconditionally accepted to WGTC and in good academic standing. Students on academic probation or dismissal cannot qualify for acceptance into an Allied Health program.

ADDITIONAL PROGRAM REQUIREMENTS:

- American Heart Association Provider CPR certification, physical examination or proof of ability to perform required duties, up-to-date immunizations, criminal background check and drug screen prior to performing the clinical rotation.
- Students must be unconditionally accepted to WGTC and in good academic standing. Students on academic probation or dismissal cannot qualify for acceptance into an Allied Health program.

EMS PROFESSIONS - EP12

DIPLOMA

Minimum Length of Program (based on full-time enrollment)	3 Term(s)
Minimum Credit Hours for Graduation	42
High School Diploma or GED® Required:	Yes

PROGRAM DESCRIPTION:

Students who complete the EMS Professions diploma will be able to fluidly move into the Paramedicine program at the diploma level. Successful completion of the program allows the graduate to take the National Registry of Emergency

Medical Technicians AEMT certification examination and to apply for Georgia licensure as an AEMT. The primary focus of the Advanced Emergency Medical Technician is to provide basic and limited advanced emergency medical care and transportation for critical and emergent patients who access the emergency medical system. This individual possesses the basic knowledge and skills necessary to provide patient care and transportation. Advanced Emergency Medical Technicians function as part of a comprehensive EMS response, under medical oversight.

Advanced Emergency Medical Technicians perform interventions with the basic and advanced equipment typically found on an ambulance. The Advanced Emergency Medical Technician is a link from the scene to the emergency health care system. Criminal background checks and drug screens may be required based on the requirements for participation in clinical experiences.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 18 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.
- Students must be unconditionally accepted to WGTC and in good academic standing. Students on academic probation or dismissal cannot qualify for acceptance into an Allied Health program.

Pharmacy Technology

PHARMACY TECHNOLOGY - PT22

DIPLOMA

Minimum Length of Program (based on full-time enrollment)	4 Term(s)
Minimum Credit Hours for Graduation.	56
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Pharmacy Technology Diploma is designed to enable the student to acquire the knowledge, skills and attitudes for employment within a pharmacy. Program graduates will be able to perform a variety of technical duties related to preparing and dispensing drugs in accordance with standard procedures and laws under the supervision of a registered pharmacist. A variety of clinical experiences is designed to integrate theory and practice. Graduates will be employable as an entry level pharmacy technician.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 18 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.
- Students must be unconditionally accepted to WGTC and in good academic standing. Students on academic probation or dismissal cannot qualify for acceptance into an Allied Health program.
- Students must maintain a 2.0 GPA and remain in good academic standing.
- This program begins each fall semester.
- Students must complete MATH 1012 before entering the occupational portion of the program.

ADDITIONAL PROGRAM REQUIREMENTS:

- American Heart Association Provider CPR Certification, physical examination, completed immunizations, criminal background check, drug screen, and registered with the State of Georgia Board of Pharmacy required prior to start of clinical rotation.

Nursing and Related Programs

NURSING– ND73

ASSOCIATE OF SCIENCE

Minimum Length of Program (based on full-time enrollment)	5 Term(s)
Minimum Credit Hours for Graduation.	66
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The two-year associate level nursing program is a sequence of courses designed to prepare students for positions in the nursing profession. The curriculum is designed to produce highly trained, technically advanced, competent and caring individuals who are prepared to practice professional nursing in a variety of healthcare settings. The purpose of the program is to provide the learner with the necessary knowledge, skills, and attitudes to practice competently and safely as a beginning nurse generalist, in a variety of acute and long-term care settings. The nurse is viewed as a caring holistic person who possesses critical thinking/problem solving skills, integrity, accountability, a theoretical knowledge base, refined psychomotor skills, and a commitment to life-long learning. Program graduates receive an Associate of Science in Nursing (ASN) degree. Graduates are then eligible to apply and take the National Council Licensure Examination for Registered Nurses (NCLEX-RN). Upon successful completion of the NCLEX-RN, and licensure by the Georgia Board of Nursing, graduates are employed as registered nurses in a variety of settings. This nursing education program is a candidate for accreditation by the Accreditation Commission for Education in Nursing.

ADMISSION REQUIREMENTS:

- American Heart Association Provider CPR certification, physical examination, up-to-date immunizations, criminal background check, and drug screen are required prior to the start of clinical rotation.
- Competitive admission program - Admission to the college does not guarantee admission to the Nursing program. Students are accepted into the program every Spring semester.
- Students must be unconditionally accepted to WGTC and in good academic standing. Students on academic probation or dismissal cannot qualify for acceptance into an Allied Health program.
- **Please see the Competitive Admissions Requirements on pages 104-105 for program-specific requirements.**

ACCEPTANCE INFORMATION

The Nursing Program has limited enrollment and requires specific criteria for admission. Admission into the Associate of Science in Nursing Program is a competitive process. Students are selected based on their potential for success by using a point based criteria devised from grade point average, admission assessment exam scores, prerequisite courses obtained, and credentials related to academic and professional success.

PRACTICAL NURSING - PN12

DIPLOMA

Minimum Length of Program (based on full-time enrollment)	4 Term(s)
Minimum Credit Hours for Graduation.	57
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Practical Nursing diploma program is designed to prepare students to write the NCLEX-PN for licensure as practical nurses. The program prepares graduates to give competent nursing care. This is done through a selected number of academic and occupational courses providing a variety of techniques and materials necessary to assist the student in acquiring the needed knowledge and skills to give competent care. A variety of clinical experiences is planned so that theory and practice are integrated under the guidance of the clinical instructor. Program graduates receive a practical nursing diploma and have the qualifications of an entry-level practical nurse.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 18 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.
- Students must be unconditionally accepted to WGTC and in good academic standing. Students on academic probation or dismissal cannot qualify for acceptance into an Allied Health program.
- **Please see the Competitive Admissions Requirements on pages 104-105 for program-specific requirements.**

PATIENT CARE ASSISTANT - PC21

TECHNICAL CERTIFICATE OF CREDIT

Minimum Length of Program (based on full-time enrollment)	2 Term(s)
Minimum Credit Hours for Graduation	23
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Patient Care Assistant Technical Certificate of Credit prepares students with rigorous classroom training and practice as well as the clinical experiences to perform a full range of patient care duties or services under nursing or medical direction. This includes taking vital signs, obtaining lab specimens, assisting with activities of daily living, observing and charting patient information, and reporting appropriate information to supervisors. It may also include providing various outreach services to clients within the community. Students who successfully complete the Patient Care Assistant Technical Certificate of Credit may be eligible to sit for the National Nurse Aide Assessment program (NNAAP) which determines competency to become enrolled in the State nurse aide registry.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.
- Students must be unconditionally accepted to WGTC and in good academic standing. Students on academic probation or dismissal cannot qualify for acceptance into an Allied Health program.

ADDITIONAL PROGRAM REQUIREMENTS:

- Students may be required to submit a physical exam, proof of up-to-date immunization, a criminal background check, and/or a drug screen prior to the clinical rotation of this program.
- American Heart Association Provider CPR Certification and TB skin test required prior to start of clinical rotation. See WGTC website for more specific information.

PHLEBOTOMY TECHNICIAN - PT21

TECHNICAL CERTIFICATE OF CREDIT

Minimum Length of Program (based on full-time enrollment).....	2 Term(s)
Minimum Credit Hours for Graduation.....	24
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Phlebotomy Technician program educates students to collect blood and process blood and body fluids. Phlebotomy technicians typically work in concert with clinical laboratory personnel and other healthcare providers in hospitals or other healthcare facilities. Topics covered include human anatomy, anatomical terminology, venipuncture, and clinical practice.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 18 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. RADIOLOGIC TECHNOLOGY - RT23

ASSOCIATE OF APPLIED SCIENCE

Minimum Length of Program (based on full-time enrollment)	6 Term(s)
Minimum Credit Hours for Graduation	77
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Radiologic Technology Associate of Applied Science Degree program is a sequence of courses that prepares students to enter the field as an entry-level radiographer. Learning opportunities develop academic, technical, and professional knowledge and skills required for job acquisition, retention, and advancement. The program emphasizes a combination of didactic and clinical instruction necessary for successful employment. Program graduates receive an associate of applied science degree, have the qualifications of a radiographer, and are eligible to sit for the Radiography Examination of the ARRT.

ADMISSION REQUIREMENTS

- Submit a completed application and application fee;
- Be at least 18 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. COMPUTED TOMOGRAPHY SPECIALIST - CT91

TECHNICAL CERTIFICATE OF CREDIT

Minimum Length of Program (based on full-time enrollment).....	2 Term(s)
Minimum Credit Hours for Graduation.....	21
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Computed Tomography (CT) technical certificate program provides educational opportunities to the post-graduate registered Radiologic Technologist, registered Radiation Therapist and Registered Nuclear Medicine Technologist in good standing. It provides students with the knowledge needed to perform CT exams, and to sit for the Post-Primary Computed Tomography Certification Examination. The academic component is designed to meet competency requirements of the American Registry of Radiologic Technologists (ARRT) exam in Computed Tomography, as well as providing for continuing educational requirements.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 18 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores;
- Candidate for Computed Tomography must be a Registered Radiologic Technologist, Registered Radiation Therapist or Registered Nuclear Medicine Technologist.

ADDITIONAL PROGRAM REQUIREMENTS:

- Students may be required to submit a physical exam, proof of up-to-date immunization, a criminal background check, and/or a drug screen prior to the clinical rotation of this program.

Surgical Technology

SURGICAL TECHNOLOGY - ST12

DIPLOMA

Minimum Length of Program (based on full-time enrollment)	5 Term(s)
Minimum Credit Hours for Graduation.	57
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Surgical Technology diploma program prepares students for employment in a variety of positions in the surgical field. The Surgical Technology diploma program provides learning opportunities which introduce, develop, and reinforce academic and technical knowledge, skills, and attitudes required for job acquisition, retention, and advancement. In addition, the program provides opportunities to upgrade present knowledge and skills or to retrain in surgical technology. Graduates of the program receive a Surgical Technology diploma and are qualified for employment as surgical technologists as well as eligible to sit for the Certified Surgical Technologist (CST) examination through the National Board of Surgical Technology and Surgical Assisting (NBSTSA).

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 17 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.
- Students must be unconditionally accepted to WGTC and in good academic standing. Students on academic probation or dismissal cannot qualify for acceptance into an Allied Health program.
- American Heart Association Provider CPR certification, physical examination, up-to-date immunizations, criminal background check and drug screen required prior to start of clinical rotation. See WGTC website for more specific information.
