LYNN BOWEN, DEAN OF ACADEMIC AFFAIRS

ASSOCIATES OF APPLIED SCIENCE DEGREE PROGRAMS

Accounting – AC13
Business Management – MD13
Business Technology – BA23
CIS - Computer Programming – CP23
CIS - Computer Support Specialist – CS23
CIS - Cybersecurity – IS23
CIS - Web Site Design – IS53
CIS - Networking Specialist – NS13
Design and Media Production – DAM3
Digital Media Technology – DMT3
Early Childhood Care and Education - EC13
Gaming Development – CSD3
Health Information Management Technology - HI13
Hotel/Restaurant/Tourism Management - HM13
Marketing Management – MM13

DIPLOMA PROGRAMS

Accounting – AC12
Business Management – MD12
Business Technology – BA22
CIS - Computer Programming – CP24
CIS - Computer Support Specialist – CS14
CIS - Cybersecurity – IS12
CIS - Web Site Design – IS64
CIS - Networking Specialist – NS14
Design and Media Production – DEM2
Digital Media Technology – DMT2

Early Childhood Care and Education - ECC2
Gaming Development – CSD4
Health Information Management Coding - HI12
Hotel/Restaurant/Tourism Management - HM12
Marketing Management – MM12

TECHNICAL CERTIFICATES OF CREDIT

Business Administrative Technology:

Hotel Management Specialist - HM21
Quality Assurance Specialist - QA31
Quality Assurance Professional - QA21
Technical Specialist – TC31

Computer Information Systems:

Cybersecurity - IS81
Design and Media Production Specialist – DAM1

Early Childhood Care and Education:

Child Development Specialist – CD61
Early Childhood Program Administration – ECP1

Accounting

ACCOUNTING - AC13

ASSOCIATE OF APPLIED SCIENCE

Minimum Length of Program (based on full-time enrollment)	5 Term(s)
Minimum Credit Hours for Graduation.	64
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Accounting Associate of Applied Science Degree program is a sequence of courses that prepares students for a variety of careers in accounting in today's technology-driven workplaces. Learning opportunities develop academic, technical, and professional knowledge and skills required for job acquisition, retention, and advancement. Program graduates receive an Associate of Applied Science Degree in Accounting.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.

MINIMUM TEST SCORES

Reading:	ACCUPLACER	64
English:	ACCUPLACER	70
Math:	ACCUPLACER	0
Algebra:	ACCUPLACER	57

GENERAL EDUCATION CORE

Area I - Language Arts/Communication

ENGL 1101 - Composition and Rhetoric	3
--	---

Area II - Social/Behavioral Sciences

XXXX xxxx - Social/Behavioral Sciences Elective	3
---	---

Area III - Natural Sciences/Mathematics (Choose one of the following)

MATH 1100 - Quantitative Skills and Reasoning.....	(3)
MATH 1101 - Mathematical Modeling	(3)
MATH 1111 - College Algebra	(3)

Area IV - Humanities/Fine Arts

XXXX xxxx - Humanities/Fine Arts Elective.....	3
--	---

Additional General Education Core Requirement

XXXX xxxx - General Education Core Elective	3

Business Technology

BUSINESS TECHNOLOGY – BA23

DEGREE

Minimum Length of Program (based on full-time enrollment)	5 Term(s)
Minimum Credit Hours for Graduation.	64
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Business Technology program is designed to prepare graduates for employment in a variety of positions in today's technology-driven workplaces. The Business Technology program provides learning opportunities, which introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. The program emphasizes the use of word processing, spreadsheet, presentation, and database applications software. Students are also introduced to accounting fundamentals, electronic communications, internet research, and electronic file management. The program includes instruction in effective communication skills and terminology that encompasses office management and executive assistant qualification and technology innovations for the office. Additionally, the program provides opportunities to upgrade present knowledge and skills or to retrain in the area of administrative technology. Graduates of the program receive a Business Technology, Associate of Applied Science degree.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.

COMPUTER SUPPORT SPECIALIST - CS23

ASSOCIATE OF APPLIED SCIENCE

Minimum Length of Program (based on full-time enrollment)	5 Term(s)
Minimum Credit Hours for Graduation.....	62
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Computer Information Systems Computer Support Specialist program is a sequence of courses designed to provide students with an understanding of the concepts, principles, and techniques required in computer information processing. Graduates are to be competent in the general areas of humanities or fine arts, social or behavioral sciences, and natural sciences or mathematics, as well as in the technical areas of computer terminology and concepts, program design and development, and computer networking. Program graduates are qualified for employment as computer support specialist.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.

TECHNICAL CERTIFICATE OF CREDIT

Minimum Length of Program (based on full-time enrollment)	2 Term(s)
Minimum Credit Hours for Graduation.....	12
High School Diploma or GED® Required: Yes	

DESCRIPTION:

The Design and Media Production Specialist TCC prepares students with basic design and media production skills, including those in vector graphics and raster imaging. Additionally, the program provides opportunities to upgrade present knowledge or skills. Graduates will receive a technical certificate of credit.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.

Digital Media Technology

DIGITAL MEDIA TECHNOLOGY - DMT3

ASSOCIATE OF APPLIED SCIENCE

Minimum Length of Program (based on full-time enrollment)	5 Term(s)
Minimum Credit Hours for Graduation	62
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Digital Media Technology Associate of Applied Science Degree program is designed to provide training in the emerging field of digital media production and editing. Individuals enrolled in the program will work with state of the art digital video production studio equipment and digital editing software programs to develop skills in digital video production, post production editing, and animation graphics.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.

DIGITAL MEDIA TECHNOLOGY - DMT2

DIPLOMA

Minimum Length of Program (based on full-time enrollment)5 Term(s)

Minimum Credit Hours for Graduation 54

High School Diploma or GED® Required: Yes

PROGRAM DESCRIPTION:

The Digital Media Technology diploma program is designed to provide training in the emerging field of digital media production and editing. Individuals enrolled in the program will work with state of the art digital video production studio equipment and digital editing software programs to develop skills in digital video production, post production editing, and animation graphics.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.

Early Childhood Care/Education

EARLY CHILDHOOD CARE/EDUCATION - EC13

ASSOCIATE OF APPLIED SCIENCE

Minimum Length of Program (based on full-time enrollment) 6 Term(s)
Minimum Credit Hours for Graduation. 72
High School Diploma or GED® Required: Yes

PROGRAM DESCRIPTION:

The Early Childhood Care and Education associate of applied science degree program is a sequence of courses designed to prepare students for a variety of careers in the field of early childhood education. The program emphasizes a combination of early childhood care and education theory and practical application as well as general core competencies necessary for successful employment. Graduates have qualifications to be employed in early care and education settings including child care centers, Head Start, Georgia Pre-K programs, and elementary school paraprofessional positions. Graduates of this program will receive one of five areas of specialization: exceptionalities, infant/toddler, program administration, paraprofessional/school age, or family child care.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.

ADDITIONAL PROGRAM REQUIREMENTS:

- A national fingerprint background check with satisfactory determination from DECAL must be obtained prior to entering the Early Childhood Care and Education practicum and/or internship.

Health Information Management Technology

HI MANAGEMENT TECHNOLOGY - HI13

ASSOCIATE OF APPLIED SCIENCE

Minimum Length of Program (based on full-time enrollment) 6 Term(s)
 Minimum Credit Hours for Graduation. 66
 High School Diploma or GED® Required: Yes

PROGRAM DESCRIPTION:

The Health Information Management Technology program is a sequence of courses designed to provide students with the technical knowledge and skills necessary to process, maintain, analyze, and report health information data according to legal accreditation, licensure and certification standards for reimbursement, facility planning, marketing, risk management, utilization management, quality assessment and research; program graduates will develop leadership skills necessary to serve in a functional supervisory role in various components of the health information system.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.

ADDITIONAL PROGRAM REQUIREMENTS:

- Students are required to submit a physical exam, proof of up-to-date immunization, a criminal background check, and/or a drug screen prior to the clinical rotation of this program. Also, students must submit proof of their American Heart BLS for Healthcare Providers CPR card and TB test.

ACCREDITATION

- The Health Information Management Technology Associates Degree Program is accredited by the Commission on Accreditation for Health Informatics and Information Management Education <http://www.cahiim.org/>.
- Program Outcome: 80% of Wiregrass Georgia Technical College HIMT graduates pass the RHIT certification exam on the first attempt.

MARKETING MANAGEMENT - MM13

ASSOCIATE OF APPLIED SCIENCE

Minimum Length of Program (based on full-time enrollment)	5 Term(s)
Minimum Credit Hours for Graduation.	62
High School Diploma or GED® Required: Yes	

PROGRAM DESCRIPTION:

The Marketing program is designed to prepare students for employment in a variety of positions in today's marketing and management fields. The Marketing program provides learning opportunities that introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to upgrade present knowledge and skills or to retrain in the area of marketing management. Graduates of the program receive a Marketing degree with specializations in marketing management, entrepreneurship, retail management, or social media.

ADMISSION REQUIREMENTS:

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit official high school transcript or High School Equivalency Transcript;
- Submit official college transcripts, if applicable;
- Present acceptable SAT and/or ACT scores taken within the last 60 months, or acceptable ACCUPLACER scores taken within the last 60 months. Documentation on a college transcript of successful completion of appropriate courses from a regionally accredited college or university may be accepted in lieu of test scores.
