

ATTENTION CURRENT STUDENTS:

IRMA IS COMING

Hurricane Irma will likely hit our area over the weekend or early next week. If you want to know how Wiregrass will react to the weather conditions, we need to have your correct cell phone number.

Follow the instructions below to make sure we have the right number for you.

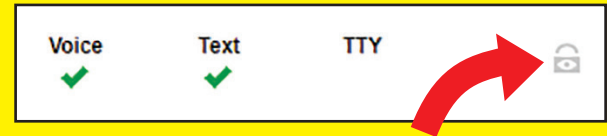

Log into your **myConnect** portal by going to <https://wiregrass.bbcportal.com/>. You will need to know your student ID number (900#) to login in for the first time. You can change your password after initial login.

First time user: Follow the prompts to complete your profile by adding additional phone numbers, email addresses and home addresses for accurate message delivery. (This is for general messaging only!)

Returning user: Log in and look for the down arrow by your name in the top right corner. Click on "contact info" to make sure it is correct.

IF YOUR EMERGENCY CONTACT INFORMATION IS INCORRECT IN YOUR PROFILE, FOLLOW THESE INSTRUCTIONS:

Emergency Contact information is listed in the profile with a lock image beside it (see picture). In the event of an emergency we will use this contact information to reach you, so we encourage you to make your primary contact your cell phone number. To update your emergency contact log on to <http://www.wiregrass.edu/addresschangeform/addresschange.aspx> and submit the correct phone number.

If you have any questions about myConnect, please email publicrelations@wiregrass.edu
