GEORGIA TECHNICAL COLLEGE®

MISSION

The mission of Wiregrass Georgia Technical College, a unit of the Technical College System of Georgia, is to promote community, educational, and economic development by providing a trained workforce in our 11-county service area and throughout the State of Georgia. The college fulfills the mission by supporting student success and providing technical and academic instruction, through traditional and distance education delivery methods, leading to associate degrees, diplomas, and technical certificates of credit; customized training for new and existing industries; professional and personal development through continuing education programs; and adult education services to meet the needs of citizens, business, and industry in the service area.

HISTORY

On September 4, 2008, the State Board of Technical and Adult Education approved the merger of East Central Technical College (ECTC) and Valdosta Technical College (VTC), to be effective July 1, 2010. Exactly one year after the merger was announced, the local board, with input from stakeholders, decided on a new name for the merged institution—Wiregrass Georgia Technical College.

Wiregrass Georgia Technical College has four campuses: Ben Hill-Irwin Campus, Coffee County Campus, Cook County Workforce Development Center, and the Valdosta Campus as well as multiple off-campus instructional sites. The college provides adult education services in each of the 11 counties in the service area, which includes Atkinson, Ben Hill, Berrien, Brooks, Coffee, Cook, Echols, Irwin, Lanier, Lowndes, and Wilcox counties.

Individually, ECTC and VTC have long, meaningful histories. The historical backgrounds of the two technical colleges reflect the impact of the colleges on their respective communities and emphasizes the importance of training and educational opportunities to the citizens of the Georgia Wiregrass Region.

WIREFRASS GEORGIA TECHNICAL COLLEGE SEAL

The new Wiregrass Georgia Technical College Seal was designed by Partners Marketing Group and approved by a committee of faculty and staff and the Board of Directors in January 2010. The blades of grass in the new college logo represent the merging of the two colleges. The founding date of our now combined colleges is represented by 1963. The academic seal is used on our transcript, diplomas, degrees and technical certificates as well as other official documents.

The pins are a symbolic welcome into the surgical perioperative profession making them eligible to sit for the Certified Surgical Technologist (CST) examination through the National Board of Surgical Technology and Surgical Assisting (NBSTSA).

EARLY CHILDHOOD CARE AND EDUCATION:

The aim of the Early Childhood Care and Education Program is to provide quality teachers, paraprofessionals and support staff to our area's daycares, preschools, nursery schools, Head Start programs and Pre-K classrooms. Our graduates have been trained in effective instructional strategies, developmental theories, and guidance and behavior techniques. Not only have they shown a love for children, but they now have the tools to be leaders, advocates and caretakers for young children as well. To our graduates: Your Early Childcare Instructors are very proud of you! Remember when you dream big, the sky is the limit. Keep shining, the world needs your light.

WHITEHEAD DISTINGUISHED TRADESMAN AWARD:

The Whitehead Industrial Distinguished Tradesman Award is designed to honor outstanding graduates in the following programs: Carpentry Fundamentals (high school), Air Conditioning Technology, Electrical Systems Technology, Industrial Systems Technology, Precision Manufacturing, Welding and Joining Technology and Automotive Technology. Degree, Diploma and Certificate level graduates are eligible to receive this award. Whitehead Distinguished Tradesman award recipients receive a \$250 voucher from Whitehead to use towards the purchase of tools and equipment in their chosen profession.

A ceremony was held at Whitehead Industrial on June 27th to honor the following recipients: Students: T.J. Arroyo, Matthew Garrick, Blakley Martin, Aaron Parker, Chason Warren, and Kellton Whitley.
