

Career Ready (Option B) offers qualified students an alternate path to high school graduation. Students choose to simultaneously earn a high school diploma and a Wiregrass degree, diploma or two (2) Technical Certificates of Credit in a specific career pathway. Career Ready (Option B) is only available for those students attending a public high school in Georgia.

## Complete high school requirements:

Requirements for students graduating in 2022-2025:

Gas Tungsten Arc Welder (GTA1)

\*Students enrolling in Career Ready (Option B) are limited to 30 hours of Dual Enrollment Funding, just like traditional Dual Enrollment students. Qualified Career Ready (Option B) students who max out their 30 hours of Dual Enrollment Funding may use the HOPE Grant and HOPE Career Grant to finish their diploma program, if eligible. Students who use the HOPE Grant/HOPE Career Grant must meet HOPE residency requirements. Any HOPE Career Grant or HOPE Grant hours used will count against HOPE program caps after high school graduation. All students who max out their 30 hours can choose to self-pay for additional courses.
