- In this instance, we did not have a quorum for the March 8 meeting, Dr. Anderson agreed that the meeting be cancelled and we will resume on the regular schedule of May 10 on the BHI Campus in the Charles Harris Learning Center Auditorium at 12 noon.
- In lite of no meeting, a document (USDA Document, RD1942-8) was submitted to Cheryl Acree that needed approval from the local board of directors. An email went out to all members asking member to email if they approved that this document for the submittal of four grants from USDA.

The email contained this wording:
